## smallHD Series 500 BTR User Manual Information

### User Manual Information:

SmallHD will place a small insert into each box as a “Quick Start Guide” showing the basic functionality of the device. The information on this card will be duplicated on our website with the remainder of our manual.

Since smallHD will provide only a limited box insert for the BTR and space in the packaging does not allow for any more inclusions, we will have a more detailed user manual on our website. The following pages have been mocked up for FCC and IC compliance. All images included as separate documents.

#### FCC Compliance Page #1:

The screenshot shows the SmallHD Help Center interface. At the top, there is a navigation bar with a "support home" link, the "SmallHD Help Center" title, and a phone number "919.439.2166" with hours "9:30am to 5:30pm EST". Below the navigation bar, there is a search bar and a "Filter by" dropdown menu. The left sidebar contains a "SmallHD Product" section with checkboxes for "500 Series", "501", "502", and "np7-BTR". Below this is a "Tags" section with checkboxes for various categories like "3d look up tables", "3d luts", "502", "Accessories", "B-Stock", "Battery/Power", "Calibration", "Canon Camera", "Compatibility", "Compliance", "Contact Info", "DP7", "Dealers", "Discount", "Distributors", "Documentation", "FCC", "Firmware", "Guarantee", and "IC". The main content area is titled "Private: Wireless Remote FCC Compliance" and displays the following information:

- Model: BTR1
- FCC ID: 2AELXBTR1
- IC: 20120-BTR1

Below this information, there is a paragraph stating: "This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that causes undesired operation."

**FCC Statement:** "NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help."

**47 CFR Part 15.21 FCC Statement CAUTION:** changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

**FCC Exposure Statement**

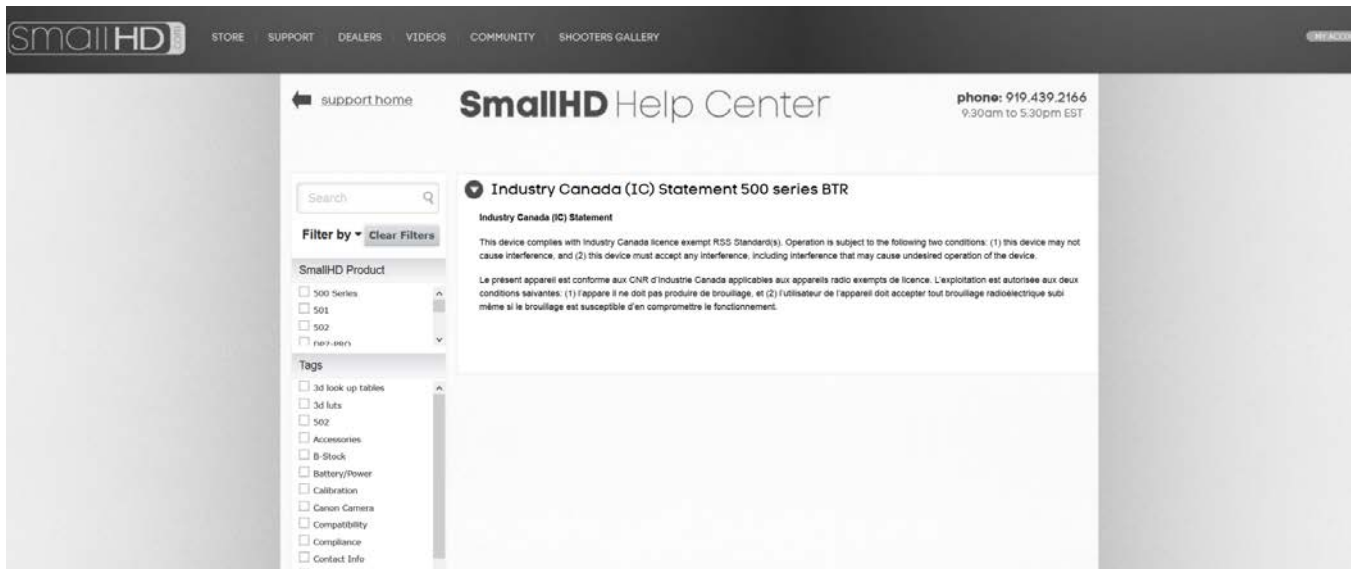

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment is in direct contact with the body of the user under normal operating conditions. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter."

*"Cet équipement est conforme aux limites FCC d'exposition aux radiations définies pour un environnement non contrôlé. Cet équipement est en contact direct avec le corps de l'utilisateur sous fonctionnement normal conditions. Cet émetteur ne doit pas être co-localisé ou opérant en conjonction avec tout autre antenne ou émetteur."*

## IC Compliance Page:

The screenshot shows the SmallHD Help Center website. The header includes the SmallHD logo, navigation links (STORE, SUPPORT, DEALERS, VIDEOS, COMMUNITY, SHOOTERS GALLERY), and a phone number (919.439.2166). The main content area is titled "SmallHD Help Center" and features a search bar and a "Filter by" dropdown menu. The "Filter by" menu is expanded, showing categories like "SmallHD Product" (500 Series, 501, 502, 503) and "Tags" (3d look up tables, 3d luts, 502, Accessories, B-Stock, Battery/Power, Calibration, Canon Camera, Compatibility, Compliance, Contact Info). The main content area displays the "Industry Canada (IC) Statement 500 series BTR" with a detailed statement in English and French regarding compliance with Industry Canada license exempt RSS Standard(s).
